

Sunflower & Coconut Oil

CASTILE SOAP

TECHNICAL DATA SHEET

READILY-THICKENED - Organic Certified by:

DESCRIPTION:

Sanitek's Sunflower & Coconut (Sun-Coco) Oil soap is made from organic-certified oils formulated to provide a clear, easily thickened & mild formulation with great foaming qualities. Sun-Coco Castile Soap contains some of the highest levels of skin-loving oleic fatty acids in any soap that we know of.

Because Sanitek produces soap from only whole oils, and not derivatives or fatty acids, the natural glycerin is retained. This adds emollient and moisturizing qualities often lacking in more highly processed soaps.

As with all of Sanitek's products, Sun-Coco is subjected to strict quality control tests to insure batch uniformity before being released for sale.

INGREDIENTS:

Softened water, Organic Helianthus Annus (Sunflower) Seed Oil, Organic Cocos Nucifera (Coconut) Oil, Potassium hydroxide, *Glycerin, Citric acid.

*released during saponification process.

USES:

Hand & Body Wash, Mild Skin Cleanser, Baby Wash, Shave Soap, Fragrance-free washes & Pet Too.
